

Caldwell Income Fund (the "Fund") employs a unique and proven investment strategy designed to capitalize on anticipated interest rate changes and yield curve shifts. It is the only fixed income fund offered in Canada that actively manages duration in a portfolio comprised exclusively of AAA-rated Federal Government of Canada Bonds and Treasury Bills.

KEY FEATURES

- High quality portfolio, offering both capital preservation as well as the potential for attractive total returns.
- Systematically aims to identify and exploit inefficiencies or temporary imbalances in the fixed income market.
- Tax Efficient - Returns are generated predominately from capital gains.
- No credit risk - Portfolio of government guaranteed securities.
- Daily Liquidity - No redemption charges or minimum hold period.
- Low 0.25% per annum management fee for Series I.

METHODOLOGY

- The Portfolio Manager seeks to enhance returns in anticipation of falling interest rate environments by increasing bond allocations and portfolio duration.
- Risk is mitigated in the Fund in anticipation of rising rates by increasing cash and/or lowering the Fund's overall duration.
- The Fund employs a combination of detailed fundamental macroeconomic and technical analysis.

PORTFOLIO MANAGER

William Chin, MBA

Fixed Income Portfolio Manager & Chief Technical Analyst

wchin@caldwellinvestment.com

William Chin is the lead Portfolio Manager on the Caldwell Income Fund and Portfolio Manager for the fixed income portion of the Caldwell Balanced Fund. In addition, Mr. Chin also manages fixed income portfolios for Caldwell Investment Management Ltd.'s ("Caldwell") separately managed account platform. He possesses 35 years of international investment experience in the areas of portfolio management, currency risk and treasury management.

Mr. Chin has an MBA in economics and international finance. He has been a volunteer and a board member for the Canadian Society of Technical Analysts since 2001 and served as their former President.

Additionally, Mr. Chin acts as the Chief Technical Analyst for Caldwell and has been a frequent speaker on macro analysis, monetary policy and technical analysis.

THOUGHTFUL INVESTING

The information contained in this document is designed to provide general information related to investment alternatives and strategies and is not intended to be investment or any other advice applicable to the circumstances of individual investors. We strongly recommend you to consult with a financial advisor prior to making any investment decisions. Unless otherwise specified, information in this document is provided as of the date of first publication and will not be updated. All information herein is qualified in its entirety by the disclosure found in the Caldwell Income Fund's most recently filed simplified prospectus. Information contained in this document has been obtained from sources we believe to be reliable, but we do not guarantee its accuracy. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing in this product. Unless otherwise indicated, rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed; their values change frequently and past performance may not be repeated. The Caldwell Income Fund is a publicly offered mutual fund that offers its securities pursuant to a simplified prospectus. Inception Date: July 15, 2016. Principal distributor: Caldwell Securities Ltd.
